

It's the Lease we can do!

LeaseBeaver

Understand your lease. Compare your options. Fight unfair charges.

Team: Snacker Hackers

Renters sign leases they do not understand

- Leases are long, dense, and full of hidden fees
- Surprise move-out charges cost hundreds of dollars
- Tenants do not know what is fair or how to respond
- Comparing apartments by headline rent misses the real cost

Dispute Assistant

arav3@h.

Hi — I'm Leroy, your lease dispute assistant. I know Illinois tenant law and Champaign-Urbana housing inside out. Tell me what's going on with your lease or landlord and I'll help you figure out your options and exactly what to say.

Describe your situation or ask anything about your lease...

Not a lawyer. For serious legal issues contact [Land of Lincoln Legal Aid](#) or the [UIUC Tenant Union](#).

Included features

AI / LLM — Lease parsing, chat, and classification

Connected Flow — Multi-step dispute workflow

Memory Lane — Supabase to store user details, prior leases, disputes, and history

Insight Engine — Map with prices generated from scraped data (30+ webpages)

Where Are You? - Location-based map with nearby listing prices

What would you like to check today?

Lease Checker

Upload your lease. We scan for auto-renewal traps, vague maintenance clauses, unreasonable fees, and privacy violations — with plain-English explanations and questions to ask your landlord.

Rent Fairness Check

Enter your monthly rent, bedroom count, and Champaign-Urbana location. Get an instant fairness verdict benchmarked against real local market rates.

Dispute Assistant

Get help disputing any lease issue — security deposits, early termination, landlord entry, habitability, and more. Grounded in Illinois law and C-U norms.

HOW IT WORKS

Built for renters, not lawyers

Next Steps

- Notifications and integration with leasing websites
- Expansion to more Illinois cities and other states
- Inclusion of independently owned properties
- Future RAG layer to better integrate local renter resources and laws

Thank You
